NORTH CHARLESTON—

On Thursday, December 13th, three members of the South Carolina Stingrays Hockey Team visited Zucker Middle School. The players included forwards Daniel Koger and Alex Beauregard and defenseman Scooter Vaughan. They were accompanied by Mary Ann Harris, Stingrays Community Relations Manager. The group met with Principal Jacob Perlmutter and then toured the school, visiting several classrooms and the library. Students had the opportunity to ask questions, have their picture taken with the players and get each player's autograph. The visit by the players was part of the South Carolina Stingrays' community outreach efforts. The Stingrays organization also sponsors a Hat Trick for Reading program which gives students in grades K-6 an opportunity to earn a free ticket to a Stingrays game.

For more information regarding this event, please contact Principal Jacob Perlmutter or librarian Miranda Cary at (843) 767-8383.
