Jerry Zucker Middle School Offers Mentor Program with Charleston Air Force and Naval Bases

Jacob Perlmutter
Principal
Jerry Zucker Middle School of Science

NORTH CHARLESTON—

Dr. Nancy J. McGinley
Superintendent of Schools

Jerry Zucker Middle School's mentor program is off to another great start this school year thanks to the many volunteers from the Charleston Air Force and Naval Bases. These men and women are excellent role models for the students and help them in many ways. Each mentor visits his or her student once a week during the student's non-academic class. The mentors provide support and encouragement. According to the program's coordinator Mr. James Brooks, 7th grade guidance counselor, "my goal is to pair each and every one of our students with one of these wonderful mentors." Parents of Zucker Middle School students are invited to call Mr. Brooks at 207-3078 if they have any questions or would like more information about the school's mentor program.

For more information regarding this event, please contact Principal Jacob Perlmutter or librarian Miranda Cary at (843) 767-8383.
