Ja'Quan: This is a true story of the life of Eva Galler. She suffered a lot from the lost of many people. This is her story.

**Introduction: I have no father, no mother, no brother, no sister, they are all dead..... I'm all alone..... here I stand as a free woman, but am I free in the inside? I ask that everyday.....I know I am a survivor, but I'm dead in the inside. Where did all of this horrifying stuff come from I ask myself, is it because I am a Jew? I still don't understand but I try to..... I stand alone.....**

## **Setting (Ghetto)**

Ita: Another day in shall be, we stayed trapped inside this ghetto.

Israel: Honey, don't think negative, think positive...

Ita: Yeah...Ok. (Sigh)

**(Eva comes running towards Ita and Israel)**

Eva: Momma! Papa! The Nazis are coming to take us away to those horrible camps!!!! I don't want to go! What if- (Cut Off)

Ita: Don't think about the worst! Eva, you knew this day would come.....

Israel: All we need to think is that we need to stay together. We cannot be separated ever unless death conquers us. Darling, do me a favor, get your siblings ready.

Eva: Alright Papa, I'll get them.

Ja'Quan: Eva runs inside her house in the ghetto. She thinks about how the long journey will feel and the events that will come across her. She knows that maybe she won't come back ever again.

## **Setting (The trains)**

Ita: It's too hot in here! We are suffering to these harsh conditions!

(An extra starts to open the barbwire) (The extra jumps out of the train and dies)

Israel: Eva! Hannah! Berele! Come here quickly!

Eva: Yes Papa, what is wrong?

Israel: Go to the opened space...where you guys can get out. Sorry about what I said earlier about us not separating but it's time to do that.

Eva: What? I don't want to go without you guys!! What is going to happen to you and momma?

Israel: Don't worry, we'll be fine. You run. I know you will stay alive; you have the Belzer Rebbe's Blessing.

Ja'Quan: Israel pushes Eva, Hannah, and Berele off the train. The officer shoots at them. Hannah and Berele die meanwhile Eva starts to run away.

## **Setting (A Farmland)**

SS/Officer: Now you work here. This is where you will stay until the last breath you take.

**(Eva starts to sing the chorus of try)**

Where there is desire there is gonna be a flame, where there is a flame someone bound to get burn, and just because it burn doesn't mean you're gonna die.

You gotta get up and try, try, try x3

Extra(Tyrell): Excuse me Ma'am, I am soldier Frank, I am part of the Allies, I came here to free you, the cold bitter war has ended.

**(Soldier Frank leads Eva out of the cabin) (Eva sheds a tear)**

Eva: I'm finally free...finally free...
