

Discover the Leader in You! Leadership Camp

Do you know a middle school girl who has natural instincts to be a leader? At **Discover the Leader in You! Leadership Camp**, rising 6th-8th grade girls spend a week at Sandy Ridge (Marlboro County) while discovering and developing their inner-leader. Leadership camp is a fun, engaging way to learn about leadership. Girls will explore communication, relationships, leadership styles and will develop a personal leadership action plan (service and leadership project) to implement back home after camp as they explore inspiring positive change in their community.

I gained confidence and learned that I can make friends more easily now.

I learned so much about myself and how to be a better leader!

Facilitators will guide girls through this awesome program and female college students will serve as small group facilitators and counselors. While at camp, girls will also enjoy the fun activities camp has to offer such as swimming, canoeing, archery, crafts, Aggie's Trail, sports nature, and games as well as some time to just relax and enjoy time with new friends.

- Discover the Leader in You! Commitments for Girls with support from Community Partners:**
- Participate in 5-night overnight camp
 - Develop and execute a leadership action service project at camp
 - Continue to communicate and share updates with Girl Scout staff after camp
 - Take part in surveys and evaluations during and after program
 - Build the Confidence, Courage, and Character that every Girl Scout has in them
 - Find the passion behind being a G.I.R.L. (Go-Getter, Innovator, Risk-Taker, Leader)
